SKILLS

- **Confidence With Power Tools:** I am confident with my ability to work with most common power tools for craft and building purposes.
 - **Digital Software Proficiency:** I am well versed in applications such as; Photoshop, Procreate and Adobe Illustrator, for sketches and concept art. I can also use Adobe Premier Pro and the entirety of the Microsoft Office applications with ease.
 - **Unique Perspectives and Designs:** As a member of the art team I understand that bringing fresh ideas and new perspectives to problem solving is key.
 - **Active Team Member:** I also understand that my opinion isn't always needed and I know how to respect my position in a team. I work well with others and enjoy collaborative working, but I'm also self motivated and work efficiently as an individual.
 - **Punctual and Reliable:** I know how to stick to strict time schedules and work within a budget. I understand the importance of time management but I'm also able to adapt to last minute changes if needs be.
